CURED BY CUTICURA REMEDIES IN ONE WEEK

"Cuticura Soap and Ointment are the greatest remedies for skin diseases on earth. I have suffered six months from a disease which I cannot describe, but I will tell you the symptoms. My skin was full of red spots and my face was full of red pimples. It made life miserable for me and I was discouraged with everything. I went to several doctors, but it was useless. But while reading a newspaper I came across one of your testimonials telling the value of the Cuticura Soap and Cintment. I resolved to try them, and after using them for about one week I became a new man. The pimples and the red spots have disappeared and they made my skin as soft as velvet. Now I am a constant user of the Cuticura Soap and Ointment and I recommend them highly Albert Cashman, Bedford Sta-tion, N Y., Nov. 29, 1905."
